Jacksonville, Florida

Pastor Bruce Armstrong is a strong advocate for Christian Education. What a joy it was to minister at his side for this year's graduation service.

Pine Lakes, Florida

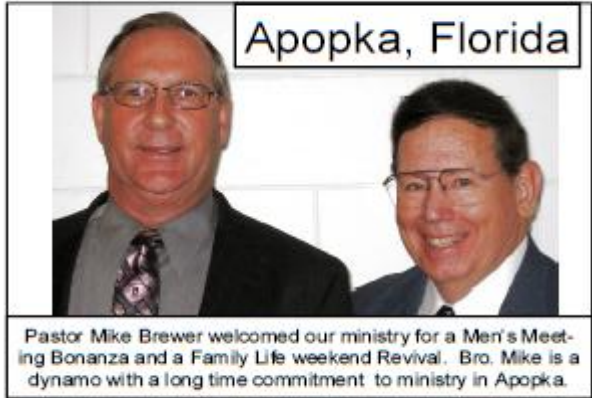

Pastor Ben Barrack has an infectious love for people and has brought new life to this church. We loved ministering at his Men's Meeting Bonanza as well as during Sunday services. Bears have actually been sighted by the church where we parked our trailer.

In Jacksonville, we were able to visit the Children's Home where Keith and Harleen Hill are now serving as house parents. It was good to see our dear friends again.

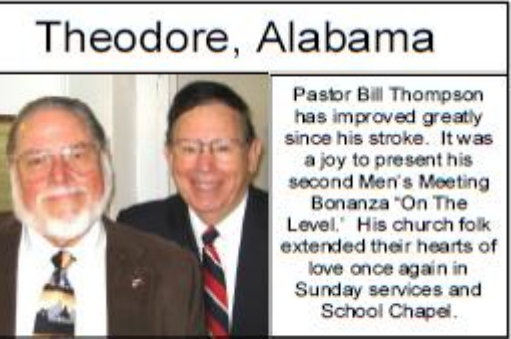

Every Christian Boarding School for troubled girls will have as many challenges as they have students. This fine ministry was encountering a mega crisis and trial when I arrived this time. What a privilege it was to see repentance in some of the girls and encouragement to the weary staff.

Apopka, Florida

Pastor Mike Brewer welcomed our ministry for a Men's Meeting Bonanza and a Family Life weekend Revival. Bro. Mike is a dynamo with a long time commitment to ministry in Apopka.

Theodore, Alabama

Pastor Bill Thompson has improved greatly since his stroke. It was a joy to present his second Men's Meeting Bonanza "On The Level." His church folk extended their hearts of love once again in Sunday services and School Chapel.

Atmore, Alabama

It was a delight for us to speak at the Couples' Banquet which was served by their young people. We also ministered in Church Services and School Chapel.

**Newsflash:** Because of major increases in postage, and other expenses, our Support Partners will receive a letter every month and a CD every other month.
